KEN REPORT

MIKE WOH

We have a lot to get through so we are going to get right to it.

We have requested from Steve and Mark information on the Website. Shall we continue with Streamline or change to someone else that will not charge us \$100 a month.

Vote:

Center Report. HAPPY NEW YEAR!!!!!! I had rentals this week end and nothing for the rest of the month except the usual. Tuesday Thursday Food and Friends 2nd Wednesday of the month Sheriff Substation meeting. Thursday 12:30-2 is JoCo Food Bank. Every other Wednesday evening is the girl scouts of America meeting.

I will let Ken know if any more comes in.

I know we are going to have some rentals in February, but we need to decide tonight when we are going to do the spaghetti feed. And everyone will need to get raffle items for that night.

Mike Chanquet suggested we host a community garbage sale and charge vendors, maybe do this once a month during summer and early fall?

What is everyone's opinion of petitioning to extend our voting district for all of 97532 and maybe

part of 97526. Then the following year maybe asking for a nickel per thousand to support us.
